RECOGNITION

Lextant Certification

MAR 2023

Certified in Design Research & Insight Translation. Focused on turning user research into design decisions. Including insight synthesis, journey mapping, opportunity framing, and team presentation.

PROFESSIONAL SUMMARY

MFA Graphic designer specializing in page layout, typography, brand identity and motion graphics. Proficient in Adobe Creative Suites and Figma, with strong professional skills in visual system design and UI/UX. Delivers brand-consistent work efficiently in fast-paced environments.

EXPERIENCE

Triangle Construction Consulting

Remote Designer Intern, JUL 2025 - Present

- Refreshed company logos/icons and standardized usage across decks and web, improving brand consistency.
- Collaborated with the design team on visual plans for building/interior presentations; delivered quick-turn graphics for stakeholders.

Savannah College of Art & Design

Graphic Design Teaching Assistant, SEP 2024 - NOV 2024

- Supported in-class production, explained concepts, troubleshoot tools; delivered structured critique cycles that kept projects on deadline.
- Evaluated assignments against rubrics and provided individual feedback, helping students improve work quality, creativity, and critical thinking.

SCADpro x Deloitte Collaboration

Graphic Design Lead, MAR 2024 - JUN 2024

- SCADpro is a collaborative design studio between current students and business leaders to solve real-world brand, marketing and design briefs.
- Designed a senior-focused, fraud-prevention app prototype in Figma; delivered user testing flows, high-fidelity interfaces, and an app demo for usability testing.
- Defined the visual system and style guide for grid, typeface selection, hierarchy, and color palette to help the team work more efficiently and stay consistent.
- Worked with students from other majors to review ideas and turn abstract concepts into practical, testable UI designs.

iFresh Inc. (IFMK)

Online Assistant Intern, JUN 2020 - AUG 2020

- Designed retail posters and exhibition boards using Adobe Illustrator and Procreate; adapted artwork for print and in-store requirements.
- Produced weekly promo sets with variant sizes for seasonal campaigns; coordinated handoff to print vendors.

Xiamen International Trade Group Co., Ltd.

Brand Assistant Intern, JUN 2019 - JUL 2019

- Xiamen International Trade Group is a Fortune Global 500 company specializing in supply chain and real estate management.
- Redesigned 20 internal app icons, improving UI consistency and recognizability to elevate overall user experience.
